To Whom It May Concern:

Re: Rob Gray

Rob has been a part of the crew of my sailboat for the past 12 years. We have raced extensively both in Victoria and Vancouver, participating in a number of Swiftsures.

Rob's general level of skill and judgement has always been of the highest level. When the boat needed to be returned to Victoria from Vancouver, Rob would skipper it back. He has my full confidence in his seamanship.

Our boat, "Carmanah", is a 41' aluminum mast-head sloop, gross tonnage 9.13 tons.

Yours sincerely,

Duncan M. Kemp
