I am a Marine Damage Surveyor and President of Coast Claims Service Ltd. in Victoria, B.C.

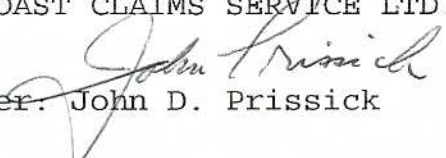

Rob Grey is an employee of Canoe Cove Marina Ltd., who I have known and dealt with over the past several years.

On a number of occasions Rob has been called upon to transport larger vessels in association with insurance-related claims work, which I have personally been involved in.

Rob has always been an obliging and conscientious individual, as well as a competent worker.

I trust you will find the above information of some assistance.
