

To whom it may concern,

Rob Gray sailed with me aboard Capricorn Dancer, a 50' aluminum sloop as mate from Perth to Sydney and proved to be very capable with daily moon sights, dead reckoning and coastal fixes. Rob was a pleasure to have on board. He is a good helmsman and is always thinking ahead. We also found him to be very crew compatible. If you are considering him as crew, I recommend him. It was a pleasure having him on board and if our paths cross again, he is welcome to sail with me.

sincerely
